To Whom It May Concern:

I am writing for candidate Robbins Graham to express his sincerest apology for his untimely filed 30-P Campaign Finance Disclosure Report. As a first time candiate, he has had boots on the ground with little fundraising activites and actually no contributions for the coverage period of the 30-P report, therefore with his own personal contributions he was unaware of the filing deadline/requirement. He is not making light of his untimely report, as he was just not aware that he was required to do any reporting of his own personal funds being spent on the campaign expenses. He is simply requesting a wavier of the accessed fine.

I am also requesting the waiver on his behalf mainly due to COVID-19 occurring shortly after the report due date and Mayor Cantrell closing the city except for essential workers, he was unable to make contact with me in regards to joining his team so that his report could be completed.

Please be assured that he will not have untimely reports filed again, as he understands that he is to report on all transactions involving his candidacy regardless of where the funds have orginated. He humbly apologize for his honest mistake and thank you for assiting him with this delicate matter during this pandemic as we all learn how to handle matters more efficiently.

Kind regards,

*Krystal Ancar*
